COS700 Research Proposal Instructions

Dr. Mardé Helbig

April 18, 2018

1 Introduction

This document provides instructions for the COS700 research proposal.

2 Template and Document Length

You **MUST** make use of the template provided on the COS700 website. Failure to use this template will result in a mark of zero.

The page limit (maximum number of pages) for the research proposal is 12 pages, including the first two cover pages and excluding the list of references. However, there is **NO** minimum page limit and you should only write what is necessary for your research topic.

3 Submission

Follow these instructions to submit the research proposal:

- The cover page should only include your student number (as indicated in the template) and **NOT** your name and surname.
- To submit the proposal:

1. Go to the following website: <https://easychair.org/>
2. Click on the *SignUp* link on the top right corner and fill in the required information to create your account
3. Go to the following link to submit a proposal: <https://easychair.org/conferences/?conf=upcos700rm2018>
4. Follow the instructions on the page to submit your proposal
5. The deadline for submission is 1 May at 23h59. Do not wait for the last minute to upload your proposal. Once you have uploaded your proposal, you can make changes to the document and re-upload it to the system until the submission deadline.
